L2R believes in one language...DANCE!

Our vision is a more inclusive world where people's lives are enriched through access to the arts. L2R makes dance accessible to children and young people who can't access commercial dance schools and activities. L2R aims to actively engage and foster artistic talent in Melbourne's west while empowering and transforming the lives of young people through the power of dance.

Classes run with the Victorian school term. Registration is essential.
